

Cultivate School Entrepreneurial Mindset Through Holistic Approach Targeting Teachers And Pupils

enterschoolminds.projectsgallery.eu

ENTERSCHOOLMIND AT A GLANCE

Enterschoolmind aims to cultivate the entrepreneurial mind set in elementary school pupils and teachers, through a systematic approach that provides smooth interventions at school life, while at the same time is supported by parents.

OBJECTIVES

- 1st LEVEL** Development of the entrepreneurial mindset of teachers
- 2nd LEVEL** Development of curricula, materials and tools for teachers to develop their own entrepreneurial mindset as well as that of their pupils
- 3rd LEVEL** Development of extracurricular activities (games) to be used by parents

MAIN BENEFITS OF THE PROJECT

- 1** Identification of the most important entrepreneurial competences to be integrated in the primary school environment.
- 2** Development of the entrepreneurial mindset of teachers through the provision of certificated curricula and materials.
- 3** Certification of teachers with entrepreneurial competences with ISO17024 assessment.
- 4** Development of activities including MyCreativeTales for the pupils of the school.
- 5** Development of an electronic assessment tool for pupils.

MAIN OUTPUTS

- Entrepreneurial competences and Learning outcomes in the private school environment.
- Certified training curricula and training materials for teachers to develop their entrepreneurial mind set.
- Certified (ISO17024) assessment tool to certify teachers' entrepreneurial competence.
- An electronic assessment tool for pupils to assess their entrepreneurial competences before and after the intervention of activities.
- A set of activities to be used by teachers aiming to support pupils to develop entrepreneurial knowledge, skills and competences integrated in different curricula e.g. language, music, art, sports etc.

● MyCreativeTales: An innovative tool where pupils choose the continuation of their stories and based on this, depending on the competences they have demonstrated they feature some pleasant or unpleasant twists.

● Enterschoolmind board game is developed to develop the competences of pupils.
