

## **3rd Press Release**

### **Evaluation Workshop for “EnterSchoolMind project” in Apostolos Varnavas Primary School, Nicosia, Cyprus**

Monday, February 10th, 2020

On Monday, 10 February 2020, Apostolos Varnavas Primary School in Nicosia, Cyprus welcomed the MMC representatives of the EnterSchoolMind project in order to conduct an evaluation workshop as far as the key competences of entrepreneurial mindset for teachers.

The evaluation workshop was provided by MMC trainers and was the start for the beginning of a creative collaboration regarding the evaluation of 2 key competences (1. Working with Others, 2. Learning through Experience) of entrepreneurial mindset for teachers, which were designed by MMC – Mediterranean Management Center and presented to the workshop.

Issues related to the key competences and the evaluation of the 2 competences (1. Working with Others, 2. Learning through Experience) were discussed. The issues identified will be further discussed during the third transnational meeting.

The EnterSchoolMind project is funded with the support of the European Commission.
